FreePOS

"Finally there is an affordable POS system for restaurants. Table Service, Quick Serve, Bar, Carryout and Delivery are all supported. FreePOS can save you money!"

People Are Talking!

By Kim Kommando's Show:

"[FreePOS] is the most impressive of the freeware restaurant programs."

Mentioned by Tech TV celebrity:

"Check into FreePOS [for the under \$200 budget]."

As discussed in The Green Sheet Magazine:

"[FreePOS] is an up & comer"

The NRA Show's floor manager says:

"[FreePOS] is the talk of the '05 show."

Australian Restaurant Forum says:

"The best of the programs is FreePOS."

CNET Publishes:

"[FreePOS] is very stable."

Everyday People From Everywhere Are Saying...

"This is the first POS software that I understand."

"We torture tested FreePOS before going live with 100 test orders in 30 minutes and FreePOS just keeps asking for more."

"We always get a quick answer. The telephone support is stellar."
