

# **ONLINE ORDERING**

## **NEGLIGIBLE UP FRONT COSTS & NO CONTRACTS**

**Do you want your restaurant's website to be a place of business and not just an informational brochure? If so, you should consider the latest trend in casual dining: online ordering.**

**Colorful picture menus like:**

**are presented on your website. Your customers just "click" on what they want. Then our web server computer sends you a fax (usually within 2 minutes).**

### **So what does this cost?**

- \_\_\_ \$495.00      Online Ordering Enabled Website Setup**
- \_\_\_ \$ 79.95      Monthly Hosting Fee**
